

REMARKS

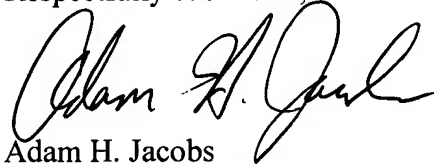

The amendment in this case is a bona fide attempt by applicants to respond and to advance this application in response to a final action. It comprises a separately filed continuation application. A copy of this amendment and petition is being filed with the papers constituting the filing of the separately filed application.

This is also a petition under 37 C.F.R. § 1.136(a) for an extension of time to respond to the Office Action mailed on May 30, 2006. Please abandon this application conditioned upon the granting of the petition and the granting of a filing date to the continuing application, so as to make the continuing application copending with this application.

Applicant is mailing this amendment after expiration of the three month response period but within the third month's extension of time permitted by 37 C.F.R. § 1.136 and accompanied by the fee set forth in 37 C.F.R. § 1.17(a). Therefore, it is respectfully requested that the period for response to the Office Action of May 30, 2006, Paper N^o 6, in the above-entitled application be extended three (3) months from August 31, 2006 to November 30, 2006. A check in the amount of Five Hundred Ten Dollars (\$510.00) is enclosed as the applicable extension fee for a small entity.

1 This application is thus believed to be in condition for abandonment upon the granting of the
2 petition and the granting of a filing date to the continuing application, so as to make the continuing
3 application copending with this application, and such action is respectfully requested.

4 Respectfully submitted,
